## **Update from the Arcadia Pension Trustees**

8 October 2019

The Pension Protection Fund (PPF) has confirmed that the Arcadia Pension Schemes came out of PPF Assessment on 6 October 2019. As a result of this:

- The Trustees can once again respond to deferred pensioners' requests for transfer value quotations, as well as being able to pay transfer values.

The Schemes' Administrators are contacting all those whose transfer requests had to be put on hold while the Schemes were in PPF Assessment and would ask for your patience over the coming period while these cases are attended to.

The Schemes had otherwise continued to pay pensions in full the entire time the Schemes were in PPF Assessment.

- Lady Green has already paid her initial £25m pension contribution. The Trustees are extremely grateful to receive this payment, which provides very welcome, additional funding.

If you have any questions in relation to this, or the Schemes in general, please call the pensions team on 0117 942 0080 or email [Pensions\\_Helpline@arcadiagroup.co.uk](mailto:Pensions_Helpline@arcadiagroup.co.uk).

Do continue to check this website from time to time, for further updates from the Trustees.
